Hank,

We have just become aware (as of Friday) of the Salvation Army's plan to conduct a three day test hosting the Greater West Hollywood Food Coalition on the property. Your name was mentioned today at the Hollywood 4WRD meeting – and I am thankful that GWHFC reps were there to brief the coalition on this plan.

Let me know a good time for us to talk this week – we would like to arrange a meeting with your neighbors – fellow business people and property owners who very much want a face to face meeting with the decision-makers at the Salvation Army before any arrangement is consummated. I can explain more when we talk.

I look forward to talking with you,

Kerry
